LaGrange Fire Department Responds to Structure Fire at 1100 Houston Street

LaGrange, Ga. December 13th, 2020 – The LaGrange Fire Department was dispatched Sunday, December 13th at 5:55 a.m. to 1100 Houston Street for the report of a structure fire.

1100 Houston Street in LaGrange

While fire department units were en route Troup County 911 advised that the neighbors could see heavy smoke. First arriving units reported heavy smoke showing from all sides of the structure on arrival.

Once crews went inside the structure they found heavy smoke conditions and fire. LPD advised that the male occupant had been helped from the structure by a neighbor and taken across the street before fire department arrived. EMS on scene began treating the patient and transported him to Wellstar West Georgia Medical Center.

The fire was located in the kitchen and had extension into the attic. The interior crew extinguished the fire from inside the structure. Primary and secondary searches were completed no occupants located inside.

The structure was cleared of smoke. Damage to the structure and contents are estimated at \$15,000.

The fire is still under investigation at this time.
