LaGrange Fire Department Responds to Structure Fire on Bell Street

LaGrange, Ga. May 5, 2020 – The LaGrange Fire Department was dispatched on Monday, May 4th at 8:43 PM to 210 Bell Street for a report of a structure fire.

LFD responds to electrical fire on Bell Street Monday evening

Firefighters arrived on the scene and found smoke showing from the residence. The tenant told crews everyone was out of the structure and accounted for.

Firefighters entered the residence through the front door with a 1 3/4" handline to an adjoining room where they located the fire. They

extinguished the fire then performed a primary search to ensure no one was left inside.

City Utilities responded to the scene to disconnect electricity for the safety of the firefighters.

The fire was under control and extinguished at 9:04 PM.

Estimated fire loss to the property and contents was approximately \$6,500.

The cause of fire was determined to be electrical in nature.
