LaGrange Fire Department Responds to Structure Fire on Oak Lane

LaGrange, Ga. February 18, 2020 – The LaGrange Fire Department responded to a report of a structure fire at 118 Oak Lane Tuesday morning at 9:10 a.m.

Firefighters on the scene of structure fire on Oak Lane

When firefighters arrived on the scene, they witnessed smoke coming from the residence. First arriving units on scene advised of heavy smoke coming from the eaves of the residence and initiated an offensive attack mode.

LFD found the fire originated in the laundry room of the residence in the rear of the structure. The home received fire damage to the rear of the structure with the rest sustaining heat, smoke and water damage.

The cause of the fire is determined to be a dryer that was left running when all occupants left the residence.

Damage to the residence is listed at \$5,000.

The Red Cross was called in to assist the occupants of the residence.
